

**The new building has
begun**

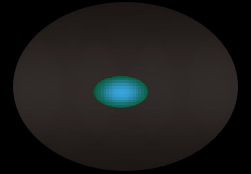

**Howe Dell, The Runway is
happening!**

By Debra Massey

Will there really be a school here?

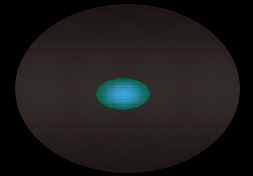

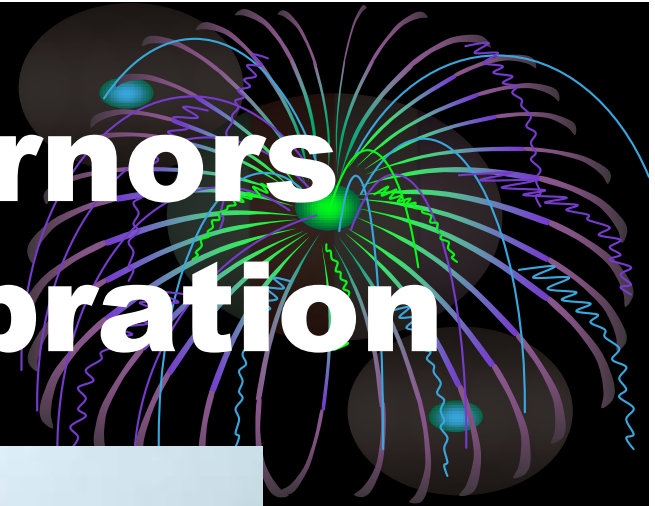

4 members of year 6 attended the photo shoot

Hard hats, wellies and safety jackets were worn!

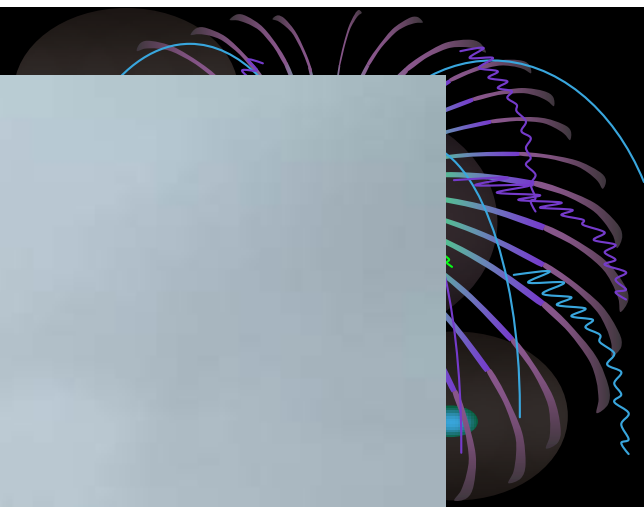

Our Chair of Governors joined in the celebration

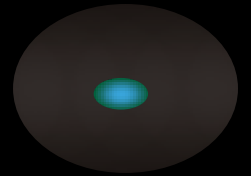

Mrs. Massey had the chance to dig the first turf where the school playground would be...

**The children also had a
go!**

**Wellies don't quite reach
the pedals!**

**Wait until they hear
about this at school!**

**Concentration is clear...
it's harder than it looks!**

We will be back, once the viewing station is in place!

**Here's to the next
exciting chapter!**

**Working with landscape
architect, builders, architects,
all through our new sustainable
curriculum.**
