<p><u>EYFS</u> Past and present</p>	<p>Conversations to spark history language with children in Early Years Foundation Stage</p> <p><i>Look at a picture of a grandparent, yourself and your child all around the same age, maybe first day of school. Encourage your child explain which is the oldest picture and why? (Colour of the picture, quality, clothes, setting the picture has been taken in) - Consider the similarities and differences</i></p> <p><i>Hot seating - Think of questions with your child to ask an older person, could be an older relative, friend or even the class teacher. Here are some example questions to consider: What was it like when they went to school? Did they have to wear a uniform? Was it anything like our uniforms? What games did you play? Did you have computer games? Did you play games on your mobile phone? (Personally I can still remember my first mobile phone with a tiny screen and a huge dialling panel .Even in that short time, the development of technology from this plastic, simple mobile phone to the colourful, interactive hand held computer phones that we have now can show contrast for the children to explore.</i></p>
