Dear Parents & Carers,

Re: Extended Services – Play Scheme

Every year Howe Dell School undertakes a financial review of the School, Day Care and Extended Services. Following the budget setting in the summer term, the school is unable to absorb the increased costs linked to staffing and food in the current Play Scheme charging structure.

For the 2026-2027 academic year, the day rate for all children is £45.00. The session commences at 8.00am and concludes at 6.00pm.

There are no changes in the charging structure for Breakfast Club or After School Club for 2026-2027.

We are really privileged to have such a great wrap around service that is led exceptionally well by Mrs Worsley and her team. I appreciate that charging increases are something no one wishes to hear, however this is essential for the provision to operate without impacting on the current high quality.

If you do have any questions, please do not hesitate to contact me via the school office.

Kind regards

Tracy Prickett
Executive Head Teacher
