

English

We will be completing narrative writing tasks inspired by various texts including 'Alice's Adventures in wonderland' and 'Stella and the Seagul'. Personal Narrative inspired by 'Jabari Jumps'. Poetry focus this term based on 'Love that Dog'

PE

We will be focusing on ball skills, fitness and Netball. We will also be learning about Yoga and Dance.

French

We will be learning the names of animals and minibeasts. We will also learn a variety of verbs.

Maths

We will be covering 2-D shapes, written methods of multiplication and division, securing knowledge for 3, 4 and 8 times tables and applying this knowledge to solve word problems. We will also explore ordering, comparing and adding and subtracting fractions.

Science

Forces and Magnets: We will learn about forces and friction before exploring magnetism.

Plants:

We will be exploring plants and the importance of each part and their function.

Spring Term Year 3

Welcome to our Spring Term Curriculum Flyer, showing an overview of our learning this term.

Please use this information to support a discussion of learning with your child at home. If you have any concerns please contact us:

year3@howedell.herts.sch.uk

Computing

Data and Information:
Branching information.

Programming:
Sequencing sound.

PSHE

Citizenship: we will learn about children's rights; exploring why we have rules and the roles of local community groups.

Economic wellbeing: introduction to creating a budget and learning about the different ways of paying.

RE

In RE children will learn about Christianity the Miracles of Jesus and forgiveness.

History/Geography

Children will continue their learning of the Stone, Bronze and Iron ages. They will then study the Roman Empire and its impact on Britain.

In Geography, they will be developing locational knowledge by studying counties and regions of the UK.

Music

During Spring Term, the children will be focusing on learning Three Little Birds by Bob Marley. They will be learning to sing, play, improvise and compose with this song.

Art /D&T

Art- Stories through collage and textiles.

Art- 3D: Make an insect installation using wire to create structure and form

D&T- Mechanisms: Design and make simplistic lever and linkage products

D&T- Nutrition: How does food affect your body and mind?

Home Learning

Home Learning will be set using Google Classroom. The children will be set spellings to practise that are aligned to the spelling rules that we have been learning in class.

Children should read every day and should be listened to doing so wherever possible. We will be using reading records as a way of communication, please can this be signed and comments added when you have listened to your child read.

Children should also practise their maths skills and multiplication tables on a regular basis: using Mathletics or Times Table Rock Stars for about 10 minutes five times per week will help.

e-Safety

Please ensure that any children who are using a device that is connected to the internet are supervised. Talk to your children about staying safe online and visit our school website for more information. Age-limit information has already been provided.

PE Kit and Clubs

Children should come to school wearing their PE kit on the days that the class have PE. Please ensure the kit complies with our uniform policy.

PE day in Year 3 is: Monday and Tuesday
